## OUR POSSESSION

Worldwide network covering around 200 active business ports / gateways world - wide. Agency agreements with major logistics player's selection of agents/partners to handle your business, depending on your needs. Service contracts with agents and carrier for worldwide to support your business.

Our quality integrated management instrument which assure the steady optimization of the quality of our services.

Furthermore we believe in highly trained, skilled and motivated staff in driving daily performance.

We define logistics as that part of supply chain process that plans, implement, and control the effective flow and storage of goods, services and related information from the point origin to the point of consumption in order to meet customer requirements.

# SERVICES WE OFFER

## SEA/AIR SHIPMENT:

We offer a full range of air and sea freight services from all major Indian airports and seaports. We are supported by a network of partners and agents so we can ensure your consignments are handled efficiently. We have strong International networking worldwide. We offer tailored programs to meet our clients' requirements.

## DOMESTIC TRANSPORTATION:

The job is not done until the last mile is covered, hence at Sheeltrans Container Line we ensure that we cater to domestic movement of the goods. Let it be from port to warehouse or from factory to market place we facilitate the entire movement process. With our wide range of domestic movement option from trucks to trailers to ODC movement, from rail to air and from single movement to dedicated fleet we ensure that we are ready to serve any and every need of our customer.

## TRUCKING SERVICES:

Our number one function is matching the best trucking service with the commercial or residential shipper. We specialize in finding less than truckload or partial truckload carriers for you. This is a great option if you are shipping by truck and your cargo. At Sheeltrans we combine the best trucking equipment with professional logistics management.

## CARRYING SERVICES:

Sheeltrans is considered as one of the premier transport services in India. We manage efficient and effective transport of pretty much anything you need moved, anywhere. Don't worry about delays to cross the border, as we have service to carry you direct to your parking lot of choice. We offer reliable service to individuals as well as corporate customers to ensure timely, safe and secure transfer of all kinds of stuff from the point of loading to the place of final delivery.

# SERVICES WE OFFER

## FREIGHT FORWARDING:

Sheeltrans is well-established global freight and trade network, offering a single-source solution to manage and transport freight. With an extensive team of experts supervising operations, We offers the best-fit customized solutions with its unparalleled access to a vast agent network of air, ocean, rail or road transport facilities.

## WARE HOUSING:

At Sheeltrans Container Line through our broad network of dedicated and shared warehousing and distribution handling we ensure that you stay in pace with the changing market demands simultaneously reducing your investment risk and operation cost.

## CUSTOM BROKERAGE:

Custom clearance is an important part of the entire supply chain process. We ensure that the job is handled by some of the experienced professionals bearing in depth knowledge of the local and international Custom formalities hereby ensuring flat flow through the customs process and ensuring consistent trade activity by avoiding delays.

## IMPORT AND EXPORT:

Sheeltrans is trusted import export service provider. We have the knowledge and connections that will allow you to focus exclusively on your product, leaving the export import logistics management to us. Our Import/Export service supports companies to develop their presence in markets and to increase their business worldwide.
